MA'ARIV ARAVIM

TO THE TUNE OF *SHE'S LEAVING HOME*

*Friday evening 'round five o'clock
As the day grown dim
Silently closing her bedroom door
Leaving tzedakah she hoped would be more.*

*She goes downstairs to the kitchen
Clutching her candle sticks
Quietly kindling the Shabbos lights
Peeking outside...the sun is free*

*Eil (chai v'kayam)
Tamid (yimloch aleinu l'olam vaed)
Adonai (hamaariv aravim)*

MA'ARIV ARAVIM

TO THE TUNE OF *SHE'S LEAVING HOME*

*The evening's come, after the sun goes down,
like so many years (shalom)
Father adores as his wife walks in her finest gown
Picks up the challah that's lying there
Standing as one while reciting the prayers
She looks up and calls to her husband
"Daddy, it's time for the b'racha.
"She set the table so thoughtfully
Reminds us tonight is for me.
Eil (chai v'kayam)
Tamid (yimloch aleinu l'olam vaed)
Adonai (hamaariv aravim)*

*The evening's come after the sun goes down like so many
years. (shalom)
Maariv Aravim, bye bye*

Ahavat Olam

to the tune of *Back in the USSR*

EVERLASTING LOVE,

Yud heh vav heh,

Didn't miss your people, Yisrael.

Teaching Torah, Mitzvot and all it means.

Ahavat Olam, alright.

I'm back to rejoicing in Torah,

When I get up and lie down, God.

Thinking of all those mitzvot, yeah!

Been away so long I hardly knew those words.
Gee, it's good to be back home. Leave work
until havdallah, it's Shabbat tonight.
Honey, disconnect the phone.
I'm back to rejoicing in Torah,
when I get up and lie down, God.
Thinking of all those...Thinking of all
those...Thinking of all those mitzvot.

Ki heim chayeinu
V' orech yameinu.
U' vahem ne' geh
yomam valaila.

כִּי הֵם חַיֵּינוּ וְאֶרֶץ
יָמֵינוּ, וּבָהֶם נִהְיָה
יוֹמָם וְלַיְלָה.

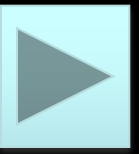

That Torah's always on my my my my
my my my my my my mind!

Oh, show me this Shabbat,
Your everlasting love.
Take me to a sacred place.
Let me hear your holy text chanted loud.
Come enjoy the peoples' praise.

I'm back to rejoicing in Torah.
When I get up and lie down, God.
Back rejoicing in Torah!

The Word

Say the word and you'll be free
Say the word and be like me
Say the word
I'm thinking of
Have you heard the word is love?
It's so fine, it's sunshine
It's the word, love

The Word

In the beginning I misunderstood
But now I've got it, the word is good

Spread the word and you'll be free

Spread the word and be like me

Spread the word I'm thinking of

Have you heard the word is love?

It's so fine, it's sunshine

It's the word, **Sh'ma**

V'ahavta to the tune of: ***All You Need is Love***

Adapted by: Pam and Jay Poster

Love, love, love, love, love, love, love, love, love.

Love the Lord your God with all your mind

Love the Lord your God with all your soul.

Set these words that I, command this day upon you heart.

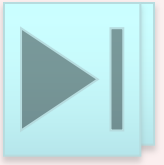

V'ahavta!

Teach these words of love to young and old.
Speak these words at home and on your way.
Speak these words of love, when you lie down
and when you rise up.

V'ahavtah!

All you need is love, all you need is love.
All you need is love, love. Love is all you need.
All you need is love, all you need is love,
All you need is love, love. Love is all you need.

Bind them as a sign upon your hand.
Let them be a sign between your eyes.
Inscribe these words of love upon your doors and on your gates.

V'ahavtah!

All you need is love, all you need is love,
All you need is love, love. Love is all you need.

All you need is love. (All together now).
All you need is love. (Everybody).
All you need is love, love. Love is all you need.

Love is all you need.
Love is all you need.

Hashkiveinu

Lucy In the Sky With Diamonds

Picture yourself in a boat on a river
With tangerine trees and marmalade skies.
The Holy One calls you, you answer quite slowly....
You've waited for a guide.

The evening shadows protect from life's storm.
Spread shelter over Your people, you said.
With peace your intention
And love in your hearts,
A prayer song:

Hashkiveinu Adonai Eloheinu
L'shalom v'haamideinu
Shomreinu L'chayim.
AHHHHHH--- Men!!

הַשְׁכִּיבֵנוּ יְיָ אֱלֹהֵינוּ
לְשָׁלוֹם, וְהַעֲמִידֵנוּ
אֲחֵינוּ לְחַיִּים שׁוֹמְרֵנוּ

Hashkiveinu Lucy In the Sky With Diamonds

You followed her down to a bridge by a fountain.
You meet friendly people *as* you walk by.
Everyone smiles as you drift past the flowers,
That grow so incredibly high.

Prejudice, bias,
Injustice, you're sure.
Are waiting to dampen your day.
But pray with your feet
Not your head in the clouds, and its gone.

Hashkiveinu Adonai Eloheinu
L'shalom v'haamideinu
Shomreinu L'chayim.
AHHHHHH--- Men!!

הַשְׁכִּיבֵנוּ יְיָ אֱלֹהֵינוּ
לְשָׁלוֹם, וְהַעֲמִידֵנוּ

In My Life

There are places I remember, all my life

Though some have changed

Some forever some for better

Some have gone and some remain

All these places have their moments

With family and friends I still can recall

Some are dead and some are living

In my life I've loved them all

In My Life

And with all these friends and family
A community was built with you
And these memories hold their meaning
When I think of prayer as something true

And I think of CNT with such affection
For people and times I've had here before
I know I'll often stop and think about them
In my life my prayer is home (2x)

Let It Be

When I find myself in times of trouble,
Adonai comes to me,
speaking words of wisdom, let it be.
And in my hour of darkness
God is standing right in front of me,
speaking words of wisdom, let it be.

(Chorus) Let it be, let it be, let it be, let it be.
Whisper words of wisdom, let it be.

And when the broken hearted people
living in the world agree,
there will be an answer, let it be.
For though they may be parted
there is still a chance that they will see,
there will be an answer, let it be.

(Chorus) Let it be, let it be, let it be,
let it be.

There will be an answer, let it be
Let it be, let it be, let it be, let it be.

Whisper words of wisdom, let it be

Musical Interlude...

Let it be, let it be, let it be, let it be.

Whisper words of wisdom, let it be.

And when the night is cloudy,
there is still a light, that shines on me,
shine until tomorrow, let it be.
I wake up to the sound of music,
Adonai comes to me,
speaking words of wisdom, let it be.

(Chorus) Let it be, let it be, let it be, let it be.
There will be an answer, let it be.

Let it be, let it be, let it be, let it be.
Whisper words of wisdom, let it be.

Let it be, let it be, let it be, let it be.
There will be an answer, let it be.

Let it be, let it be, let it be, let it be.
Whisper words of wisdom, let it be.
